  - Contains Bitrex® to deter wound biting
  - Non-sticky and non-stinging formulation
  - Available in a 4-ounce solution

- BENEFITS**
- Soothes itching, pain, and discomfort
  - The animal will leave the wound alone so it can heal
  - Easy to administer for pet owner to provide relief from constant licking and scratching
  - Single, convenient product for common, frequent ailments

*Itching and pain can make pets  
and their owners miserable.  
Give them relief with Hexa-Caine.*

# Hexa-Caine™ Spray *Topical Anti-Itch Spray*

**AVAILABLE SIZES:**

4 fluid ounces

**GUARANTEED INGREDIENT:**

Lidocaine HCl: 2.46%

**INDICATIONS:**

A combination of ingredients for providing quick, soothing relief associated with minor skin irritation.

**INGREDIENTS:**

Benzethonium, chloride, allation, Bitrex® (denatonium benzoate), aloe vera and lanolin

**DIRECTIONS FOR USE:**

Shake well and apply liberally to affected areas. Gently wipe away excess spray around the affected area with sterile gauze or cotton. Repeat as often as necessary for continued relief.

Avoid contact with eyes. Do not use on severely traumatized or bleeding skin. If undue skin irritation develops or increases, discontinue use and consult your veterinarian.

For animal use only.

**STORAGE AND SAFETY:**

- Use only as directed
- Keep out of reach of children and pets
- For external use only
- Store at room temperature 15°-30° C (58°-86° F)
