

PRN[®] Pharmacal

2022 Animal Welfare Program

Program Guidelines

Participants: Veterinary accounts such as shelters, animal care/control agencies and other not-for profit organizations (NFP Account). This includes government/military institutions, as well as, educational entities (e.g. colleges, universities, technical schools, etc.). Program valid through **December 31, 2022**. For more information and to see if your account qualifies, contact your PRN Pharmacal Regional Sales Representative.

- NFP Accounts must place orders (“Orders”) through an authorized PRN[®] Pharmacal distributor.
- Orders must be dated after **January 1, 2022** or before **December 31, 2022**.
- New program participants must be pre-approved by PRN Pharmacal Regional Sales Representative AND program enrollment form (see reverse side) must be submitted prior to first Order submission.
- May not be combined with any other PRN Pharmacal promotional programs.
- Free goods are only eligible for qualifying products (see reverse side).
- Program participants must re-enroll each year.
